**NOTICE OF OBJECTION TO SETTLEMENT  
AND MOTION FOR ATTORNEY'S FEES**

Now come class members Bradley Lewis Henry and Sarah Marie Henry (“Objectors”), and hereby adopt the arguments initially asserted in Plaintiff Sara Sandys’ Opposition To Class Counsel’s Motion For Preliminary Approval Of Class Action Settlement (DE 131) as their own objections to final class settlement and award of attorney’s fees. Specifically, Objectors believe the Court should deny the pending motion for final approval of the settlement because it is not fair, adequate, and reasonable to the class for the following reasons:

1. The proposed award of fees and expenses is approximately 50% of the total potential relief to the class;
2. The proposed cy pres recipients are far from sufficiently related to the substance of this case;
3. The notice to the class is insufficient given the broad release proposed as to all class members.

Legal support for the foregoing grounds are set forth in Sandys' brief in opposition to Plaintiffs' motion for preliminary approval of the settlement. Objectors have standing to assert these objections because they purchased one or more of the qualifying products during the class period. Objectors have also retained legal counsel experienced in such matters who may apply for admission pro hac vice. In order to meet the deadline set by this Court reported in the Notice of Class Settlement, Objectors have elected to file a preliminary notice of objections to preserve their rights. Accordingly, Objectors reserve the right to supplement or amend their objections upon advice of counsel and/or as other objections are filed. Objectors do not presently plan to attend the fairness hearing scheduled for December 2, 2013.

#### CONCLUSION

For the foregoing reasons, Objectors respectfully request that the Court:

- (1) Reject the proposed settlement as presented;
- (2) Refuse to enter final judgments dismissing class claims against the settling defendant with prejudice;
- (3) Deny the motion for attorneys' fees as presented;
- (4) Order an amended notice of proposed settlement.

Respectfully Submitted,

  
BRADLEY LEWIS HENRY

  
SARAH MARIE HENRY
