MDL No. 2521  
Liddern Arbitration  
Litigation

I am a member of the  
class and I am not going to  
appear at the fairness hearing.

I object to the unreasonable  
attorney fees which is a third  
of the settlement fund or 34,916,000.  
They also want a proportionate amount  
of interest from the settlement fund.

The fees for class counsel also encompassed  
expenses totaling 3,647,041.43. Thus the  
is high and more should go to the  
class as it seems unfair that such  
a great amount goes to the ~~attorneys~~
