09/22/2017	<a href="#">64</a>	<p>JUDGMENT AND FINAL ORDER. IT IS HEREBY ADJUDGED AND DECREED THAT: This Judgment incorporates by reference the definitions in the Stipulation of Settlement dated April 20, 2017 ("Stipulation"), and all terms used herein shall have the same meanings as set forth in the Stipulation unless set forth differently herein. The terms of the Stipulation are fully incorporated in this Judgment as if set forth fully here. The Court hereby adopts and reaffirms the findings and conclusions set forth in the Preliminary Approval Order. Pursuant to Federal Rules of Civil Procedure, Rule 23(b)(3), the Court hereby certifies the following Settlement Class as further set forth in this Judgment. Pursuant to Federal Rules of Civil Procedure, Rule 23(c)(3), all such Persons who satisfy the Settlement Class definition above, except those Settlement Class Members who timely and validly excluded themselves from the Settlement Class, are Settlement Class Members bound by this Judgment. Settlement Class Members, if any, that have timely and validly excluded themselves from the Settlement Class are identified in Exhibit A attached hereto. Settlement Class Members not listed in Exhibit A shall be bound by the Settlement and the terms of the Settlement Agreement. Pursuant to Federal Rules of Civil Procedure, Rule 23(e)(2), the Court finds after a hearing and based upon all submissions of the Parties and Interested Persons, the proposed Settlement is fair, reasonable, and adequate and in the best interests of the Settlement Class. The terms and provisions of the Stipulation are the product of lengthy, arms-length negotiations conducted in good faith. Approval of the Stipulation will result in substantial savings of time, money and effort to the Court and the Parties, and will further the interests of justice. Thus, the Settlement is approved in all respects. The Stipulation provides for monetary benefits to Settlement Class Members who submit valid and timely Claim Forms. The Court approves those benefits and approves the distribution plan for the Settlement Fund as provided in the Stipulation. Neither the Settlement, this Judgment, nor the fact of the Settlement constitutes any admission by any of the Parties of any liability, wrongdoing or violation of law, damages or lack thereof, or of the validity or invalidity of any claim or defense asserted in the Litigation. The Court has considered the submissions by the Parties and all other relevant factors, including the result achieved and the efforts of Class Counsel in prosecuting the claims on behalf of the Settlement Class; that Plaintiff initiated the Litigation, acted to protect the Settlement Class, and assisted Class Counsel; that the efforts of Class Counsel have produced the Stipulation, which was entered into in good faith and provides a fair, reasonable, adequate and certain result for the Settlement Class. As such, the Court finds that Class Counsel is entitled to a reasonable Fee and Expense Award for their work, which the Court finds to be \$200,000. Further, Plaintiff is entitled to an incentive award of \$5,000. The Fee and Expense Award and Plaintiff's incentive award shall be paid out of the Settlement Fund created by Defendants pursuant to the Stipulation. The Court hereby dismisses with prejudice the action, and all Released Claims against each and all Released Persons and without costs to any of the Parties as against the others and as further set forth in this Judgment. The Clerk of Court should terminate this</p>
