24 After conducting additional due diligence as to standing, I have determined
25 that I am not a class member in this case. As such, my objection is moot and is
26 withdrawn. No compensation or consideration was offered or shall be paid to me
27 for withdrawal of my objection. Rather, withdrawal is appropriate because
28

1 substantial evidence has come to light firmly establishing my lack of standing. It
2
3 would be inappropriate for my objection to be considered by the Court under the
4
5 circumstances. I apologize for any inconvenience.

6 Respectfully submitted,
