Please note that this case has been screened for oral argument. The exact date of your oral argument has not been determined at this time. You will be receiving a calendar approximately 4 weeks before the scheduled argument date. Please review the current and future argument dates immediately to determine if you have any conflicts.

[Click Here to View Published Argument Calendars and Future Court Session Dates and Locations](#)

If you do have conflicts with any of the argument dates, please inform this court by sending a letter using the ECF docketing event 'Correspondence to Court', 'Letter filed' regarding availability for oral argument'. Your compliance with this policy will minimize the need for motions to continue or reschedule oral argument. The court also encourages you to notify the clerk if conflicts with these dates develop in the future. The clerk's office takes conflict dates into consideration in scheduling oral arguments but cannot guarantee that every request will be honored.
